PERSONAL LEAVE BENEFITS

VACATION
We consider vacation time a necessity for rest and relaxation. We want to provide greater incentive and reward to employees as their length of service grows. Our vacation policy allows flexibility, within reason, to choose and enjoy your earned vacation time. Please schedule this time with your supervisor, as business conditions must be taken into consideration when vacations are scheduled. Your number of provided vacation days depends upon your length of service.

Temporary and part-time employees are not eligible for vacation benefits.

*Please note:* New JCDH employees do not receive vacation accrual credit for service at another merit system jurisdiction. Employees will only receive accrual credit for full-time JCDH-specific service. Additionally, JCDH does not accept accrued vacation and/or sick time from other jurisdictions.

SCHEDULING VACATION
Vacation leave may not be taken before it is earned.

VACATION ELIGIBILITY
Accrued vacation time may be used after three (3) months of service.

HOLIDAYS DURING VACATION
Holidays that fall on a vacation day do not count against your vacation time.

MILITARY LEAVE
Military Reserve or National Guard leave is available with pay upon presentation of official orders. In no case shall an employee granted military leave with pay be paid for more than 21 working days per calendar year.

TERMINATION
If you leave the Department in good standing and give a two week notice, you will be paid your accrued leave on your last paycheck.

HOLIDAYS
We observe several holidays. Generally, these are:

- New Year's Day
- Martin Luther King, Jr. Day
- Memorial Day
- Juneteenth National Independence Day
- Independence Day
- Labor Day
- Veteran's Day
- Thanksgiving
- Day after Thanksgiving
- Christmas Eve
- Christmas Day

Plus two variable/designated holidays that can be used during the year.

WEEKEND HOLIDAYS
Generally, when a holiday falls on Saturday, it is observed on Friday; or if a holiday falls on Sunday, it is observed on Monday, unless otherwise provided for by the Board of Health.

HOLIDAYS FOR PART-TIME EMPLOYEES
Classified and unclassified part-time, temporary, seasonal provisional and emergency employees who are regularly scheduled to work 20 hours or more per week will be eligible for 4 hours of paid holiday time for each holiday and one variable holiday.

JURY DUTY
We promote good citizenship by granting time off with pay for jury duty. You must furnish proof of jury duty to your supervisor to receive necessary time off. You should report back to work as soon as you have been dismissed from jury duty.

If you are subpoenaed to testify on behalf of the Department, we will pay for approved related expenses over and above your regular pay. An employee summoned as a witness in a proceeding, which was not brought by the employee, and to which the employee is not a party shall be granted leave.

PAID SICK LEAVE
The Department provides a sick leave policy for full-time employees who have completed 3 months of service. Sick time accrues at a rate of 8 hours per month. The purpose of this policy is to allow you time off, with pay, for medical and dental appointments, illness and injuries. Paid sick leave may also be used for illness, injury, or death of the employee's child, spouse, parent, and other specified relatives where that person's
condition warrants the presence of the employee (subject to approval by the employee’s supervisor).

The Department can request a statement from your doctor at any time.

We reimburse all unused earned sick leave in the event of resignation or retirement to any permanent employee in good standing.

We encourage you to use this time wisely. No one can anticipate illness, and you need to conserve your sick time so that when the unexpected occurs, you're prepared. Misuse of sick time is a cause for corrective action.

**FAMILY/MEDICAL LEAVE OF ABSENCE**

Paid sick leave benefits may be combined with Family/Medical Leave benefits in certain cases. This combined paid and unpaid leave can be used if needed for the following reasons:

- for the birth, adoption, or foster care placement of a child or to care for that child, provided the leave is taken within 12 months of the birth, adoption, or foster care placement
- to care for employee's child, spouse or parent with a serious health condition
- when the employee has a serious health condition

You must exhaust all paid leave time before taking the remaining family/medical leave time without pay.

Paid sick leave and vacation do not accumulate while you are on non-paid family/medical leave unless your leave is less than half the month. If you do not return to work at the end of the leave and do not have approval for an extended leave, we'll consider you terminated as of the last day of your approved leave.

**BEREAVEMENT LEAVE**

In addition to the ability to use accrued sick time for bereavement of immediate family, full-time employees will be provided eight (8) hours of bereavement leave and part-time employees provided with four (4) to use for anyone.

**PAID PARENTAL LEAVE**

Full-time employees will receive 100% of their pay for up to six continuous weeks in a rolling 12 month period for the birth, adoption, or foster care placement of a child.
